Rental Program

There are many options available to choose from. The top level is our "Day Spa" arrive and drive with a coach where your only worry is going faster working with a proven winner. This is an all exclusive package. One price and no worries or surprises.

The next level is our "Gym Package" rental with delivery.

Options include a full time tech assigned to work on the car, get you in and out shag water, fuel etc. You can also line up one of our coaches for one or both days.

The economy or "Home Gym" you rent the car and use your own method to get it to and from the track. It's like renting a pair of running shoes without the smell. You can also option on a coach as well.

Available models to choose from:

- E46 Sedan USTCC GTS4 - a drivers car, best of breed touring car with all top level components and data acquisition
 - AD coilovers all bearing suspension
 - "Built" S54 with over 350hp on tap
 - Fully capable data acquisition package
 - Full aero package
- *car is available to experienced road racers only and is only available with full support "Day Spa" package

- E36M3 GTS3 - car is very fast and agile, it has plenty of power and is fully sorted to win GTS3
 - Complete GC coilovers
 - "Built" S52 with Schrick cams, 3.5" intake and MAF
 - Custom differential with 40 to 60% lockup
 - Racetech seats for safety and comfort
- E30 GTS2 - considered a "Pro3" it is a SpecE30 on steroids
 - Complete GC coilovers
 - "Built" M20 chipped, Remus custom header back exhaust
